Dear Mr. Ishio:

I am a patent attorney at Fish & Richardson, and I have represented Duracell on several patent applications in the past few years. As you can see by the enclosed papers, I worked with Paul Douglas and Keith Buckle on a new patent application related to copper layers of anode cans. As you are a co-inventor on this application, there are a number of papers that require your signature.

Therefore, enclosed is a United States Declaration/Power of Attorney form to be signed and dated by you (at the red flags). Also enclosed is a PCT General Power of Attorney form for the above-identified application, to be signed and dated by you (at the yellow flags). These forms do not need to be notarized. Should any corrections need to be made, please make the correction(s) in blue ink and initialize the correction(s).

Also enclosed is an Assignment for the above-identified patent application. This should be signed by you (green flags) and must also be notarized (blue flags).

The executed documents (U.S. Declaration/Power of Attorney, PCT General Power of Attorney and assignment) should be returned to us as soon as possible.

Dear Mr. Keith Buckle,

Thank you very much for your cooperation of this issue. We would understand your requirement by way of Mr. Christine Bellon, however, we would like remind what we would like to ask you as follows;

1. First Mr. Mitsuya, former staff of Sumitomo Special Metals, would like to ask you that Sumitomo Special Metals could be co-owner of this invention because Mr. Ishio is one of the employee in Sumitomo Special Metals.

2. However, we just could see the company name of "Gillette" in "Assignment" that Mr. Ishio should be signed.

3. We would sincerely tell you that we could make signature on the document of "Declaration" and "Power of Attorney" except the document of "Assignment".

4. We would like to request the meeting about this issue when you will be in Japan on Feb. 7. We would discuss who should be assignee and which countries you will proceed to prosecute in.

5. We also would like to ask [REDACTED] confirm to your attorney that the [REDACTED] of declaration could be postponed after this meeting.

If you have any questions, please feel free to contact me at any time.
Thank you and best regards,

Shono
